

ANNOUNCEMENT

OrganoClick Launches New Site

Sweden, 18 September 2008 – During the last months a new layout for the company has been designed including a totally new design for the website. We hope that you will find the site comprehensive and easy to use.

About OrganoClick AB

Founded in 2006, OrganoClick AB is a spin-off company from Stockholm University and the University of Agricultural Science in Uppsala, Sweden. OrganoClick AB develops and manufactures bio-fiber materials and chemical products with highly specialized functions by using its proprietary technology platform.
