

## NEWS RELEASE

### OrganoClick Makes Contact With The Chinese Industry

China, 25 November 2007 - Invest in Sweden Agency (ISA) and China Packaging Federation organized a partnering meeting between the Swedish packaging industry and the Chinese packaging industry in Shanghai the 21<sup>st</sup>-22<sup>nd</sup> of November. OrganoClick was specially invited as one of the innovative Swedish companies involved in developing new materials for the packaging industry. OrganoClick's CEO Mårten Hellberg and its co-founder Saeid Esameilzadeh held a presentation with the title "New environmentally friendly materials for the packaging industry" in front of 120 delegates from various Chinese and Swedish packaging companies. Several companies showed interest in OrganoClick's technology and discussion about future collaborations is under way.
